TEEN WORKSHOP

MOCAD Teen Council + Back Alley Bikes presents: *Youth Earn A Bike!*

9am-Noon | Monday through Friday | August 21-25, 2017

Calling all
Detroit area teens!

Interested in exploring Detroit bicycle culture but currently without a bike? Never fear! Back Alley Bikes, a program started in 1999 to help youth participants find safe transportation around the city, is partnering with MOCAD this summer for "Youth Earn A Bike." Spend a week with your peers learning: basic bicycle maintenance, advanced repairs, how to safely navigate traffic and by the end earn your very own bike, helmet, lock, and backpack

TO APPLY:

Map your ideal bike ride with one page explanation, write a poem or make a video and send to Youth Program Producer Cameron Brown at cbrown@mocadetroit.org by Friday, July 21, 2017 for consideration. Participants must be available for both the workshop at Back Alley Bikes and MOCAD parade.

Requirements:

- 🚲 **MUST ATTEND ALL WORKSHOPS (PARTICIPATION IN THE WORKSHOP IS NECESSARY)**
- 🚲 **FOLLOW RULES AND GUIDELINES OF THE BACK ALLEY BIKE STAFF**
- 🚲 **TURN IN A COMPLETED PERMISSION SLIP**
- 🚲 **MUST NOT HAVE A BIKE OR CURRENTLY WORKING BIKE.**
- 🚲 **AGES 12 TO 18**

On September 16: Rejoin the group for a Bike and Helmet customizing session in preparation of your participation in the DLECTRICITY parade (September 22)!

All those currently in high school (or entering this fall) are encouraged to apply for this exciting summer program.
